No of respondents: Around 174

Summary of the report:
This report analyses the feedback provided by students regarding the curricular aspects of our institution. The feedback aims to access the relevance and effectiveness of the curriculum in meeting different developmental needs.

Methodology:
Structured feedback forms were distributed among students of the outgoing final year covering vital parameters like overall ambiance and infrastructure of the College, quality of teaching at departmental level and various aspects of the curriculum. The responses were collected and analysed using a Likert scale from 'Strongly Agree' to 'Strongly Disagree'.

Key Findings:

- Majority of students agreed that the curriculum was structured well in a logical manner having required depth of materials.
- Most students expressed satisfaction with course contents in terms of providing necessary skills for future employability and development in their chosen fields.
- Most of the students were happy with the laboratory and library facilities they were able to access.
- The learning environment of the college and teaching methodology adopted by most teachers were highly appreciated. Students gave positive feedback about interaction with teachers both inside and outside classroom regarding both academic and non-academic issues.
- Students were very happy getting constant encouragement from the college to take part in various extra-curricular activities, like games & sports, social functions, exhibitions, etc.
- Most students appreciated the natural and green environment of the College.
- Most students expressed their enjoyment with the fact that their time spent in college provided them a life-long intellectual curiosity.
- Some students informed the College the need for more number of classrooms, larger and better-equipped laboratories and more number of classes dedicated to General subjects. They also requested the need for more number of dustbins in the campus. The Library lacked adequate reading space and computer with internet facility.

Conclusion: The feedback from students indicates an overall positive reception of the Curricular aspects of our college. The institution is committed to continuous improvement for future enhancements.

Report of Actions Taken on Feedbacks

(2018-19)

Raiganj Surendranath Mahavidyalaya Report on Action taken on feedback analysis Academic Year: 2018-19

ACTION TAKEN

The feedback given by teachers and students for the academic year 2018-2019 were analyzed. The college administration has tried its level best to fulfill the demands which has been indicated in the action taken report below. The teachers who were part of the syllabus framing did attempt to bring about some changes in the syllabus. The college follows the guidelines laid down by the University of Gour Banga with respect to the syllabus. Department Heads have been asked to conduct meetings and suggest Add-on or Certificate courses which will have practical implementation.

1. The TIC interacted with teachers on a one-to-one basis and discussed any points that required attention as evident from Student-Teacher's Feedback.
2. The number of dustbins has been increased and cleaners instructed to clean the campus more often.
3. It has been planned to purchase Books of latest editions and computers under RUSA 2.0.
4. New building under RUSA 2.0 scheme are supposed to be constructed which would, upon completion largely help in increasing the number of classrooms and the number of classes for particular papers can also be increased then. Also new laboratory instruments will be procured under RUSA 2.0 for each of the four lab based Science departments.
5. Steps are taken to appoint more guest lectures on the various subjects and topics suggested by the teachers, and students. Various suggestions related to the modifications in the curricular content (for upcoming CBCS Syllabus) are noted and reported to the University Academic Council for the overall improvement of the Institution and further necessary action.
6. Projector based frequent teaching were initiated to use different softwares, teaching aids which helps students in better learning and understanding. Teachers are also using PowerPoint presentations for enhancing teaching learning experience.
7. Efforts have been made to improve the internet and Wi-Fi facilities in the campus.
8. More of industrial visits and field visits are suggested by TIC.
7. More career guidance and soft skill development schemes have been implemented.
8. Departments have initiated steps to conduct seminars /conferences on skill enhancement / extension.
