3.4.1: Outcomes of Extension activities in the neighborhood community in terms of impact and sensitizing the students to social issues for their holistic development during the last five years.

Raiganj Surendranath Mahavidyalaya aims to inculcate all the stakeholders particularly the students and neighbourhood community a sense of social responsibility through various Awareness programs and extension activities, so that they become conscious of prevalent social ills. Our college has started to take initiative for various extension activity related programmes, initially though the number of such programme was relatively less but gradually year by year we have successfully organized many more such programmes. This initiative not only taken by NSS unit of our college but also some other units such as Women Cell, Health Club, Nature Club have energetically worked on it. Besides our internal unit the external collaborative unit who have come forward and make a profound impact on such activities with joint hand are the various Government and Non-Government Organizations (NGOs).

To regulate these issues, College has organized: various programmes such as:

- **Anti-Drug and No Tobacco Campaign**
- **Social awareness programs on health and hygiene:**
- **Blood donation camp**
- **Drug Abuse and Illicit Trafficking programme**
- **Awareness Programme on Tree Plantation and Rally**
- **Programme on Awareness about Green Campus**
- **Awareness Programme on AIDS day**
- **Seminar programme on "Prevention of Suicide"**
- **Cancer Awareness Programme**
- **Free Education camp for under-privileged children** were conducted in neighbouring slum areas to give them rudimentary education, familiarizing them with basic English and vernacular vocabulary along with elementary Mathematics through play way methods.

- **Campaigns for prevention of communicable diseases** were carried out in collaboration with the Students' Health Home, through organizing rallies and displaying awareness poster in the locality focusing on
- **Youth Parliament competition (YPC):** students from different department participate and sensitize by such programmes (programme is held at different colleges and in our college)
- **Distribution of food and clothes & Blankets** were carried out in the neighbouring slum area, forest area and outside hospitals distribution of mask and sanitizer during the lockdown period.
- **Dengue Awareness programme**
- **The Save Water Campaign** was carried out in the surrounding area of the institution to stop the wastage of water by installing taps on open water pipes
- Various **Community Engagement Programs** were organised by the students of the institution involving people of the locality in the developmental activities in the following areas
- **Gender Sensitization Initiative by Gender Audit**

While talking about outcome of such programme we must say as per our observation that the involvement of number of students gradually increased in such programmes in many social issues that help to develop the students holistically. For example, students who have never donated their blood progressively come forward in such noble activities. Significant contribution also observed in tree plantation programme where the student's voluntary come forward for such programmes and planted enormous tree in various places of our societies. In the mission of clean and green or **Swachh Bharat Abhiyan** our college once received Green Award (2022), which encourage a lot of students to clean the campus and to make the environment green as far as possible.

OBSERVANCE OF WORLD ENVIRONMENT DAY 2023 AT RAIGANJ SURENDRANATH MAHAVIDYALAYA (ON 3RD AND 5TH JUNE 2023)

ACTIVITIES UNDERTAKEN ON 3RD JUNE 2023

Event no: 1 –Campus cleaning drive

As part of the celebrations of World Environment Day 2023, the students of Raiganj Surendranath Mahavidyalaya undertook a cleanliness campaign of the college campus on 3rd June 2023. The cleanliness campaign was organized by Zoology & Botany department of the college in collaboration with IQAC Cell, Nature club, NSS units I and II of the college. The classrooms and corridors were cleaned by the students & staffs of RSM. The front side of the College including gardens, drive, staircase was also cleaned up.

The Principal, Dr. Chandan Roy expressed gratitude to those involved in carrying out the responsibility of guiding the students in making the cleanliness drive successful. Principal sir said that it was a pleasure to see the enthusiasm of the students engaged in cleaning the campus.

Students cleaning the college corridors & ground

At the very outset, Dr. ChandanRoy, Principal spoke to the cadets to always keep the environment and the college campus clean. He pointed out that the responsibility of cleaning the campus is not only of the support staff but of the entire college community. He praised the gardener for the hard work and dedication in maintaining the flower gardens and the campus.

Event no: 2 – Screening of Oscar winning short documentary film (*THE ELEPHANT WHISPERERS*)

A film was screened on the event of world environment day on 3rd June 2023, at 1pm in the college auditorium, first floor (Raiganj Surendranath Mahavidyalaya). The short film "**THE ELEPHANT WHISPERERS**" was screened. The film was directed by Kartiki Gonsalves in 2023. The forty one minutes film is about the bond that develops between a couple and an orphaned baby elephant, Raghu, who was entrusted to their care. The film has won several awards, most notable of which are the Oscar awarded for showcasing Indian culture and tradition of environment conservation. The audience was engaged with a short introduction about the film by one of the organizers, Dr. Priyanjalee Banerjee, HoD & Asst. Prof., Dept. of Zoology, RSM. Welcome address from Hon'ble Principal, Dr. Chandan Roy followed, where

he aptly portrayed the impact of natural environment on our lives. The film received positive feedback, many were able to see beyond the surface storyline and actually search for deeper meanings that certain symbols in the film represented. The film was an important portrayal, a theme of family, deforestation awareness, and what it means to truly love. We ended the event at around 2.00 PM with notifying everyone about upcoming events and thanked them for attending.

ACTIVITIES UNDERTAKEN ON 5TH JUNE 2023

Event no: 1 – Tree Plantation

A very auspicious tree plantation program was organized at the backside ground of Raiganj Surendranath Mahavidyalaya to create an awareness regarding climate change and its adverse effect on us. The program started at 11:00 am and the guest of honor for this tree plantation program was the principal of our college, Dr. Chandan Roy. A range of 15 saplings such as arjun, tamarind, jarul, berry, magnolia, etc were planted in the periphery of the playground to create an awareness about saving trees.

Event no: 2 – Poster competition on the topic of “Innovative ideas to beat environmental pollution”

The Poster Competition was organized for students to be aware about the grave issue of environmental pollution that is taking mammoth proportions of threat to existence of living beings every day. The students were oriented about the issue and then they were required to submit their Posters created on chart paper within 2nd June 2023. They used media mix to create handmade or sketched posters in English using pencil colors, crayons, sketch pens, paints- different types, crayons, tear and paste or cut and paste method, old photographs, newspapers, etc. The students created appealing-colored posters incorporating interesting visual and verbal messages for the masses.

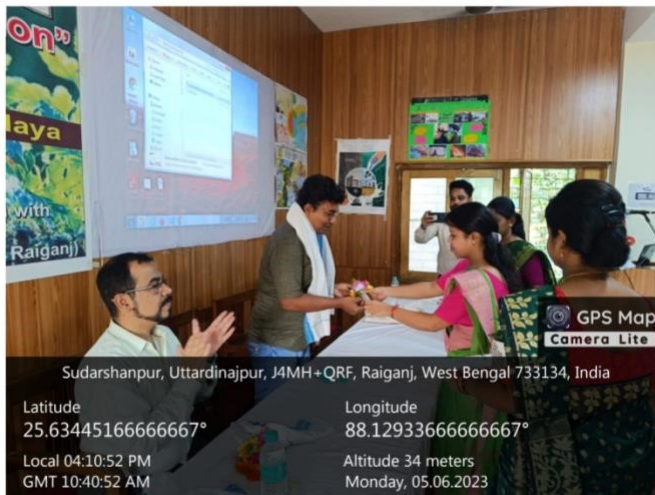

Event no: 3 – SEMINAR ON “ SOLUTIONS TO PLASTIC POLLUTIONS”

Raiganj Surendranath Mahavidyalaya organized the seminar celebrating World Environment Day on 5th June 2023 at 1 pm. The theme of this years’ celebration of world environment day was **“SOLUTIONS TO PLASTIC POLLUTIONS”**.

Chief Guest: Mr. TuhinSubhra Mandal (Environmentalist and assistant teacher of A.K. Vidyaniketan, Balurghat) was the chief guest. Shri KingshukMaity (S.D.O of Raiganj) was the guest of honor. The students welcomed the guest with a song.

The 'Green Team' of Organizers

Shri TuhinSubhra Mandal gave a powerful message of reuse, reduce, recycle and refuse. He said that the plastic we used at home finds its way from the drains to the rivers and finally to the ocean, polluting and arresting marine life.

The Principal and IQAC coordinator, RSM elaborated on negative impact of plastic on environment. They warned against the rampant use of plastic by the public and said that if we continue in this manner, the ocean will soon be inundated with non-bio-degradable garbage.

Report on Road Safety Awareness Programme (Safe Drive Save Life) Organized by NSS Unit 2, Raiganj Surendra Nath Mahavidyalaya

Date: 22/12/2022

Venue: College campus, Raiganj Surendra Nath Mahavidyalaya

Introduction: The National Service Scheme (NSS) Unit 2 of Raiganj Surendra Nath Mahavidyalaya conducted a Road Safety Awareness Programme, titled "Safe Drive Save Life," on 22nd December 2022. The objective of this programme was to raise awareness among students and the local community about the importance of road safety and to promote safe driving practices. The event aimed to educate participants about the risks associated with reckless driving and encourage the adoption of responsible behavior on the roads.

Event Details: The Road Safety Awareness Programme commenced at 1 PM and continued until 3:00 PM. The programme was conducted in and around the college surroundings, targeting both students and members of the local community. Various activities and initiatives were organized to engage participants and disseminate information on road safety measures.

Awareness Campaign: The programme began with an awareness campaign conducted by NSS volunteers, who distributed pamphlets, brochures, and informational materials on road safety. Visual aids such as posters and banners displaying messages promoting safe driving practices were also strategically placed around the college campus and nearby areas.

Interactive Sessions: Interactive sessions were organized to facilitate discussions on road safety issues and to address common misconceptions and challenges faced by drivers and pedestrians. Trained facilitators led these sessions, encouraging active participation from the audience and providing practical tips for enhancing road safety awareness.

Demonstrations and Simulations: To provide a hands-on experience, demonstrations and simulations were conducted to illustrate the importance of wearing seat belts, helmets, and adhering to traffic rules. Mock accident scenarios were staged to demonstrate the consequences of reckless driving and the importance of defensive driving techniques.

Collaboration with Authorities: The programme benefited from collaboration with local traffic police authorities, who actively participated in the awareness campaign and provided insights into road safety regulations and enforcement measures. Representatives from road safety organizations were also present to offer guidance and support.

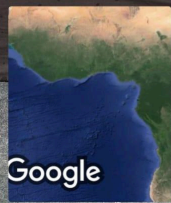

Outcome: The Road Safety Awareness Programme organized by NSS Unit 2, Raiganj Surendra Nath Mahavidyalaya, succeeded in sensitizing participants about the significance of safe driving practices.

Conclusion: The Safe Drive Save Life initiative exemplifies the commitment of NSS Unit 2, Raiganj Surendra Nath Mahavidyalaya, towards promoting community welfare and safety. By raising awareness about road safety and advocating for responsible driving habits, the programme aims to contribute towards reducing road accidents and fatalities in the local area.

Acknowledgments: The organizers express their gratitude to all participants, volunteers, local authorities, and stakeholders who contributed to the success of the Road Safety Awareness Programme.

Report on Blood Donation Camp Organized by NSS Unit 2, Raiganj Surendra Nath Mahavidyalaya

Date: 24/05/2022

Venue: College Campus, Raiganj Surendra Nath Mahavidyalaya

Introduction: The National Service Scheme (NSS) Unit 2 of Raiganj Surendra Nath Mahavidyalaya organized a Blood Donation Camp on the college campus on 24 May 2022. The primary objective of this camp was to contribute towards the noble cause of saving lives by encouraging voluntary blood donation. The event aimed to raise awareness about the importance of donating blood and to encourage students and staff members to participate actively.

Event Details: The Blood Donation Camp commenced at 9:00 AM and continued till 4:00 PM. The event saw enthusiastic participation from both students and faculty members of the college. Prior arrangements were made with the local blood bank to ensure the smooth functioning of the camp. The NSS volunteers played a pivotal role in organizing and managing various aspects of the event, including registration, medical check-ups, and post-donation care.

Awareness Session: Before the blood donation process began, an awareness session was conducted to educate the participants about the significance of donating blood. Information regarding the eligibility criteria for blood donation, the health benefits associated with it, and the impact of blood donation on saving lives were discussed. This session aimed to dispel any myths or apprehensions that the participants might have had regarding blood donation.

Blood Donation Process: Following the awareness session, the registered donors underwent a brief medical examination to ensure their eligibility for blood donation. Qualified medical professionals supervised the entire process to guarantee the safety of both donors and recipients. The donors then proceeded to the donation area, where they generously contributed blood. Refreshments and snacks were provided to the donors after the donation to aid in their recovery.

Outcome: The Blood Donation Camp organized by NSS Unit 2, Raiganj Surendra Nath Mahavidyalaya, received an overwhelming response. A significant number of students, faculty members, and other members of the college community participated in the event. The collective efforts resulted in the collection of a substantial amount of blood, which will undoubtedly contribute to saving numerous lives.

Conclusion: The Blood Donation Camp organized by NSS Unit 2, Raiganj Surendra Nath Mahavidyalaya, was a resounding success. It not only provided an opportunity for the college community to contribute towards a noble cause but also fostered a sense of social responsibility among the participants. The event showcased the spirit of altruism and solidarity, reflecting the ethos of NSS and the college at large.

Acknowledgments: The organizers express their gratitude to all the participants, volunteers, medical staff, and authorities involved in making the Blood Donation Camp a success.

Report on Swachh Bharat Campaign Organized by NSS Unit 2, Raiganj Surendra Nath Mahavidyalaya

Date: 02/02/2022

Venue: College Surroundings, Raiganj Surendra Nath Mahavidyalaya

Introduction: The National Service Scheme (NSS) Unit 2 of Raiganj Surendra Nath Mahavidyalaya organized a Swachh Bharat Campaign on 2nd February 2022. The campaign aimed to contribute towards the Swachh Bharat Abhiyan, a national cleanliness drive initiated by the Government of India, by promoting cleanliness and hygiene practices in the college surroundings. The event sought to instill a sense of responsibility and civic duty among students and community members towards maintaining a clean and healthy environment.

Event Details: The Swachh Bharat Campaign commenced at 10:00 AM and continued till 12:00 PM. NSS volunteers, along with students and faculty members, actively participated in various cleanliness activities conducted in and around the college premises. The campaign encompassed a range of initiatives aimed at enhancing cleanliness and raising awareness about the importance of sanitation.

Cleanliness Drive: The highlight of the campaign was a cleanliness drive undertaken by volunteers, who actively engaged in sweeping, collecting garbage, and cleaning littered areas within the college campus and its surroundings. Special emphasis was placed on areas prone to littering, such as pathways, parking lots, and recreational areas.

Awareness Activities: In addition to the cleanliness drive, awareness activities were organized to educate participants about the significance of cleanliness and hygiene. NSS volunteers distributed informational pamphlets and posters highlighting the benefits of maintaining a clean environment and proper waste disposal practices. Interactive sessions were conducted to discuss the role of individuals in contributing to the Swachh Bharat mission.

Tree Plantation: As part of the campaign, a tree plantation drive was organized to promote environmental sustainability and green initiatives. Participants planted saplings in designated areas around the college campus, contributing to the preservation of biodiversity and ecological balance.

Community Participation: The Swachh Bharat Campaign witnessed enthusiastic participation from students, faculty members, and members of the local community. The collaborative efforts of all participants underscored the collective commitment towards achieving the objectives of the cleanliness drive.

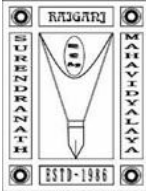

Outcome: The Swachh Bharat Campaign organized by NSS Unit 2, Raiganj Surendra Nath Mahavidyalaya, yielded significant results in terms of cleanliness and awareness generation. The concerted efforts of volunteers and participants contributed to the improvement of the college surroundings, fostering a cleaner and healthier environment for all.

Conclusion: The Swachh Bharat Campaign exemplifies the spirit of community service and social responsibility fostered by NSS Unit 2, Raiganj Surendra Nath Mahavidyalaya. By actively participating in cleanliness initiatives and promoting awareness about sanitation, the campaign aligns with the broader objectives of the Swachh Bharat Abhiyan and reinforces the importance of collective action towards building a cleaner and greener nation.

Acknowledgments: The organizers extend their gratitude to all participants, volunteers, and stakeholders who contributed to the success of the Swachh Bharat Campaign.

Report on Observance of Save Water Day and Awareness Campaign

Date: March 22, 2019

On 22nd March 2019, Raiganj Surendranath Mahavidyalaya (NSS Units), actively observed Save Water Day by organizing an awareness campaign aimed at highlighting the importance of water conservation. The event witnessed enthusiastic participation from teachers, non-teaching staff and students, reflecting our collective commitment to environmental sustainability. The aim of the event was to sustain the momentum generated by incorporating water conservation practices into our daily lives and educational curriculum, also to raise awareness about the importance of water conservation through similar initiatives and outreach programs. Number of Teaching staff participated: 8, Number of non-teaching staff participated: 11 and Number of Students Participated: 68

Activities:

The day commenced with a brief introduction outlining the significance of Save Water Day and the pressing need for water conservation in today's world. This was followed by a series of engaging activities designed to educate and inspire participants to take action.

Interactive Presentations: Teachers delivered informative presentations on various aspects of water conservation, including the importance of reducing water wastage, adopting water-saving practices, and preserving natural water resources.

Poster Making Competition: Students showcased their creativity and knowledge by participating in a poster making competition themed around water conservation. The vibrant and insightful posters served as powerful visual reminders of the need to protect our water sources.

Quiz Contest: An engaging quiz contest was organized to test participants' understanding of water conservation principles. This interactive session encouraged active participation and facilitated learning in a fun and competitive environment.

Awareness Walk: The event culminated in an awareness walk around the school premises, during which participants carried placards and banners with slogans promoting water conservation. This symbolic gesture aimed to raise awareness not only within the school community but also among the wider public.

Conclusion:

The observance of Save Water Day and the accompanying awareness campaign proved to be a resounding success, thanks to the enthusiastic participation of teachers and students alike. By coming together to champion the cause of water conservation, we reaffirmed our commitment to protecting our planet and ensuring a sustainable future for generations to come.

Report: Observance of World Blood Donation Day and Awareness Campaign

Date: June 14, 2018

On June 14, 2018, Raiganj Surendranath Mahavidyalaya (NSS Units), actively participated in observing World Blood Donation Day, conducting an awareness campaign to emphasize the significance of blood donation. The event aimed to educate both teachers, non-teaching staffs and students about the importance of donating blood and saving lives. Number of Teaching staff participated: 10, Number of non-teaching staff participated: 8 and Number of Students Participated: 77

Event Highlights:

Awareness Campaign: A comprehensive awareness campaign was organized to highlight the importance of blood donation, emphasizing its life-saving potential and addressing common misconceptions. Various informative materials such as posters, leaflets, and presentations were utilized to engage participants.

Interactive Sessions: Interactive sessions were conducted, allowing participants to ask questions and clarify doubts regarding blood donation. This fostered a deeper understanding of the process and its impact on society.

Motivational Talks: Inspirational talks were delivered by healthcare professionals and individuals who have benefited from blood donations, sharing their personal experiences and encouraging others to contribute to this noble cause.

Donation Drive: In addition to raising awareness, efforts were made to organize a blood donation drive within the institution, inviting willing participants to donate blood voluntarily. This initiative aimed to directly contribute to addressing the constant need for blood in healthcare facilities.

Certificates of Appreciation: Participants, including teachers, non-teaching staffs and students, were recognized for their active involvement in the event through certificates of appreciation, acknowledging their commitment to promoting community health and well-being.

Conclusion:

The observance of World Blood Donation Day and the associated awareness campaign proved to be a significant endeavour in fostering a culture of altruism and compassion within our institution. The enthusiastic participation of teachers and students reflects a growing awareness of the importance of blood donation in saving lives and serving humanity. Moving forward, it is essential to sustain this momentum and continue advocating for blood donation as a fundamental aspect of healthcare and community service.
