### Introduction:

Excursions are essential for students to delve into biosciences, offering hands-on experiences that transcend traditional learning. They deepen understanding of biodiversity, fostering appreciation for nature and environmental stewardship. Through direct engagement with flora and fauna, students gain nuanced insights into species diversity. In these immersive environments, theoretical knowledge blends seamlessly with practical applications, allowing students to observe ecological principles in action. They develop critical thinking skills by analyzing real-life scenarios and devising innovative solutions, nurturing a sense of responsibility for biodiversity preservation.

Excursions cater to diverse learning styles, providing multi-sensory experiences that enrich students' understanding. By immersing themselves in natural habitats, students cultivate a profound respect for the environment. Ultimately, excursions shape well-rounded individuals equipped to advocate for biodiversity conservation, ensuring a sustainable future.

Department of Botany, Raiganj Surendranath Mahavidyalaya had decided to organized an excursion held on **from 17<sup>th</sup> November 2022 to 19<sup>th</sup> November 2022 at Lataguri (Dooars)** with the consent of the institutional Head i.e. TIC escorted by the departmental faculty members along with the 3<sup>rd</sup> and 5<sup>th</sup> semester students.

**Title:** An Educational Tour/Excursion to Dooars, Lataguri, Jalpaiguri

**Place:** Lataguri, Jalpaiguri, West Bengal

**Duration:** 17th November – 19th November, 2022

**Number of Guiding Teachers:** 04

**Number of Students Participated:** 5th Semester – 10, 3rd Semester – 06

### Introduction:

An educational trip to Padmaja Naidu Himalayan Zoological park was organized by the Department of Zoology, Raiganj Surendranath Mahavidyalaya on 4<sup>th</sup> April to 8<sup>th</sup> April 2023 to help the Zoology (Major) Semester-VI students to better understand bio-diversity conservation.

Mr. Debajit Chakraborty, Assistant Professor of Department of Zoology, RSM and Mr. Biswanath Das, Laboratory Attendant of Zoology Department guided the entire trip. PadmajaNaidu Himalayan Zoological Park is a 27.3 ha conservation area with average elevation of 2134m. One of the specialties of this park is the breeding animals in Alpine condition. It is one the Zoological parks where breeding programs for snow leopard, Himalayan wolf and redpanda are going on. It is also the central hub for Zoological Authority of India for red panda conservation program.

Established back in 14<sup>th</sup> August 1958, under the Department of Education, West Bengal, it has been a premiere place for conservation of Himalayan flora and fauna. Since, 1972, this Zoological garden became a registered society, the maintenance of which is borne by State and Central Government. This is the off-display breeding center for snow leopard, Himalayan wolf and red panda. Captive breeding of snow leopard started here back in 1983. The red panda program started in 1994. Besides, this Zoo is the breeding center for Himalayan tahr, blue sheep, Himalayan monal, Himalayan salamander, grey peacock and blood pheasant.

During this trip, the students have collected knowledge about the habit, habitat, geographical distribution, and breeding strategies of the following animals and birds:

- Animals: Leopard cat, Asian palm civet, jungle cat, Mishmi takin, barking deer, royal Bengal tiger, Asiatic black bear, yak, Himalayan wolf, black panther, snow leopard.
- Birds: Golden pheasant, silver pheasant, lady Amherst pheasant, macaw.

The students acquired detailed theoretical knowledge and witnessed real life practices related to red panda conservation.

### Project Red Panda:

Red panda is a small mammal of Himalayas, almost of jungle cat size, with chestnut coat colour, and ringed tail. It is distributed across the entire Himalayan belt upto Burma.

Initially categorized as threatened animal by habitat loss, deforestation, increased poaching. Although, this animal receives protection through Indian Wild Life Protection Act (1972); in 2006, IUCN enlisted this animal as endangered.

As a part of global captive breeding project and master plan, red panda conservation project was initiated in this Zoo back in 1994. Since then, by captive breeding new baby pandas are produced in this Zoo on regular basis. Currently, there are twenty- one healthy panda in this Zoo.

### Introduction:

As a part of the CBCS syllabus of the University of Gour Banga, the Department of History, Raiganj Surendranath Mahavidyalaya has conducted an Educational Tour at Santiniketan, Bolpur on 19-21 May, 2023 with our Semester-VI Honours batch. Three of our teachers also participated in this study visit to take care of the students. We have chosen Santiniketan, founded by Kabiguru Rabindranath Tagore, because of its cultural heritage and educational importance. The center is also recently declared as India's 41<sup>st</sup> UNESCO World Heritage Site. We stayed here for 2 days and visited all the important places of the Visva Bharati campus, Kopai river, Sonajhuri Haat, Ballavpur Wildlife Sanctuary, Kankalitala mandir and so on. Our students benefited most since they have experienced a practical knowledge about Rabindranath Tagore, his creation and his contemporaries which they incorporated in their project report and seminar presentation later.

**Number of Guiding Teachers:** 03

**Number of Students Participated:** 24

**Venue:** Santiniketan, Bolpur

**Duration:** 19th May - 21st May, 2023

Raiganj, U/Dinajpur  
Date = 10/05/2023

Sub : Application for permission to go on a study tour during 19th May to 21st May 2023.

Respected Sir,

This is to draw your kind attention that the Department of History is willing to go on a study tour at Santiniketan during 19th to 21st May 2023. As a part of our course curriculum our Department will organize this tour for the student of Sem-VI (Monsoon Session 2022-23). So, we need your permission and financial support from the college.

It is estimated that cost of said tour is about Rs. 50,000. If an amount of Rs. 20,000 is advanced as institutional financial support of Rs. 20,000 at advance.

Thank you for your consideration. I look forward to your positive response.

Regards  
Chandana Saha  
HOD  
Department of History

*may be with allowed amount prior forward to the TIC on 10/5/23 forwarded to account for disbursement as per GB resolution. 10/5/23*
