Observance of World Environment Day and Tree Plantation Program

Date: June5, 2019

Event Overview:

On the occasion of World Environment Day, Raiganj Surendranath Mahavidyalaya (NSS Units) organized a tree plantation program to raise awareness about environmental conservation and the importance of preserving green spaces. The event aimed to instill a sense of responsibility towards nature among students and staff members. Number of Teaching staff participated: 7, Number of non-teaching staff participated: 8 and Number of Students Participated: 43

Event Highlights:

The event commenced with a brief introduction highlighting the significance of World Environment Day and the importance of tree plantation in combating climate change. Seven teachers actively participated in organizing and supervising the program, providing guidance and support to the students throughout the event and eight non-teaching staff participated in the event. Three enthusiastic students eagerly took part in the tree plantation activity, demonstrating their commitment to environmental sustainability. Each participant actively engaged in planting saplings of various indigenous tree species, contributing to the expansion of the school's green cover. The event concluded with a pledge-taking ceremony, where participants vowed to nurture and protect the planted trees, ensuring their healthy growth and longevity.

Outcomes:

Increased awareness among students about environmental issues and the role of tree plantation in mitigating climate change. Enhanced sense of environmental responsibility and stewardship among participants. Creation of a green environment within the school premises, promoting

biodiversity and ecosystem health. Encouragement of sustainable practices and eco-friendly initiatives among the school community.

Conclusion:

The observance of World Environment Day and the tree plantation program proved to be a resounding success, fostering a spirit of environmental consciousness and collective action among the participants. Such initiatives not only contribute to the well-being of the planet but also empower individuals to become agents of positive change in their communities. Raiganj Surendranath Mahavidyalaya remains committed to organizing similar events to promote environmental sustainability and conservation efforts.

Few Glimpses

Thanks and regards,
